

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-253-5713 or visit [www.bpalja.com](http://www.bpalja.com) (login ID is: WPT; password is: steamwpt). Important Questions	Answers	Why This Matters:
<b>What is the overall <u>deductible</u>?</b>	<u>In-Network Provider:</u> <b>\$3,890</b> Individual / <b>\$7,780</b> Family; <u>Out-of-Network Provider:</u> <b>\$4,200</b> Individual / <b>\$8,400</b> Family.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on this <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
<b>Are there services covered before you meet your <u>deductible</u>?</b>	Yes. The following do not count towards the <u>deductible</u> : second surgical opinions, pre-admission testing, hospice care, well child care, and <u>preventive care</u> as required under the Affordable Care Act (ACA).	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copay</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits">https://www.healthcare.gov/coverage/preventive-care-benefits</a> .
<b>Are there other <u>deductibles</u> for specific services?</b>	Yes. <b>\$100</b> for Preferred Provider Pharmacy Prescription Drug Benefits. There are no other specific <u>deductibles</u> .	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
<b>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</b>	Medical: <u>In-Network Provider:</u> <b>\$4,500</b> Individual / <b>\$9,000</b> Family; <u>Out-of-Network Provider:</u> <b>\$9,200</b> Individual / <b>\$18,400</b> Family. PPRx: <b>\$2,350</b> Individual / <b>\$4,700</b> Family (including <u>deductible</u> ).	The <u>out-of-pocket limit</u> ("OOP") is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.

Important Questions	Answers	Why This Matters:
<b>What is not included in the <u>out-of-pocket limit</u>?</b>	<u>Coinsurance</u> for <u>preventive care</u> in excess of maximums, <u>premiums</u> , <u>balance billing charges</u> , and health care this <u>plan</u> does not cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket-limit</u> .
<b>Will you pay less if you use a <u>network provider</u>?</b>	Yes. For a list of <u>network providers</u> , visit: <a href="http://www.welcometouhc.com/uhss">www.welcometouhc.com/uhss</a> or call the Fund Office at 1-800-253-5713.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<b>Do you need a <u>referral</u> to see a <u>specialist</u>?</b>	No.	You can see the <u>specialist</u> you choose without a referral.

 All **copay** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
