

# COVID-19 Alert

## CareATC Does NOT Test for COVID-19

If you believe you have been exposed to and/or have symptoms associated with the **coronavirus**, including:

- **Fever of 100.4 F** or more
- **Coughing** and/or **Shortness of Breath**
  - **Exposure to Geographical Risk**
  - **Contact with Confirmed Cases**

**Call the Patient Access Center at 800.993.8244 to schedule a virtual appointment,** where our providers can best assess your needs and limit exposure to others.
